Charkhari (C.I.)

35(1)

The 13th January 1938.

This is with reference to your letter No. C. No534 dated 7th December 1937. I hope His Highness the Yuvaraj Sahib will ~~soon be~~ returning to Mysore after his visits to Bombay and Calcutta. If you please ascertain his wishes in the matter and let me know, I may arrange either to send the horoscope with a Sardar and a Pandit or come myself with it and the Pandit not only to have the horoscopes compared but also to have personal talks regarding several other things connected with this matter.

I shall be grateful for an early reply.
